The book cover features a vertical rocket launch on the left side, with a bright light at the base. The background is a dark space scene with a blue and white planet or moon in the upper right. Various pieces of space equipment, including what looks like a satellite or probe, are scattered in the lower right. The text is arranged in a vertical stack, with the title at the top, followed by the subtitle, the 'In all its grand colors!' slogan in yellow italics, the 'GET YOUR COPY TODAY!' call to action in white bold, and the '...while supplies last!' urgency message in red bold at the bottom. A yellow banner in the top right corner says 'Back in print!'.
